**Do you have what it takes
to be a partner in our law firm?**

A PROMISING PERSPECTIVE

stetter Rechtsanwälte is ambitious, versatile, 100% client-focused, and with combined professional experience of more than 35 years. Our goal is to expand further our reputation as one of the leading boutique law firms for international criminal law cases in Germany. At stetter Rechtsanwälte we are convinced that we will only achieve this with the best possible expertise, a good measure of stamina, and as a team.

To strengthen our team we are looking for
a colleague (m/f/d) with partner quality.

Field of activity

From your office in Munich's Old Town you will advise clients from Europe, the USA or other countries - managers as well as companies. You will work together with your new colleagues to develop our excellent reputation in defense, counseling, acquisitions, presentations, and publications. Such variety is exactly what you enjoy: international white collar crime law and compliance in all their facets.

Your profile

You have been a dedicated criminal defense lawyer (specialist lawyer) for at least seven years. You are passionate about white collar criminal law and compliance - areas in which you have already achieved success and in which your excellent English has proven decisive. Moreover, you have leadership experience, a passion for teamwork and an entrepreneurial mindset.

You are now seeking more responsibility. You want more extensive mandates with an international focus and you have the desire to become a partner?

Then you have come to the right place!

We are looking forward to meeting you at our law firm in our office in Munich's Old Town.

WE ARE LOOKING FORWARD TO HEARING FROM YOU!
